**Dear Parent/Guardian:**

The Absegami Guidance Department would like to make students and parents aware of a new resource offered by the College Board in March of 2009 known as **“Score Choice.”**

“Score Choice” is a new feature which allows students testing in March 2009 or later to select which SAT scores are sent to colleges by selecting a specific test date for the SAT and by individual test for the SAT Subject Tests. “Score Choice” is an optional feature, but students and parents should be aware of each college’s individual score reporting policies before using it. All SAT scores will automatically be sent for those students who choose not to use the “Score Choice” feature. The best way for students to take advantage of the new “Score Choice” feature is to register at [www.collegeboard.com](http://www.collegeboard.com) or by calling 1-800-SAT-Help. A new “Score Choice” web page with information and FAQ’s (Frequently Asked Questions) and a “Score Choice” tutorial is available at the website as well.

Historically, the Absegami Guidance Department has provided students with an opportunity to report their SAT scores to colleges and universities via the Absegami High School transcript. Students opting to select the new “Score Choice” feature must now notify their counselor in writing as to which SAT scores by **sitting test date** they would like to have **removed from** their high school transcript. Absegami High School will continue to record all of a student’s SAT scores that we receive on their high school transcript. If you would like to have any of your child’s SAT scores omitted from their Absegami High School transcript, please submit the attached form to your child’s counselor. This form is also available on the Guidance section of the Absegami Web Site at [www.absegami.net](http://www.absegami.net).

Please remember that The CollegeBoard Score Choice process and requesting Test Scores to be omitted from the Absegami High School transcript are two separate processes.

Please feel free to visit the CollegeBoard website for more information concerning the new CollegeBoard “Score Choice” feature or contact your child’s counselor for more information. Thank you for your time and attention in this matter.

Sincerely,

Robert Quinn  
Guidance Supervisor  
Absegami High School
